

London 22<sup>th</sup> June 1812

Gentlemen

FAES  
No. 7/59

I take the liberty  
of writing to you because you  
recommended me to writing to you  
two or three times in the month  
that you may inform Mr  
Murchison of me.

I am very glad to be in the  
college, enjoy very good health  
and the only thing which displea-  
ses me is that I cannot speak

English yet, but I think that  
in a little time I shall be able to  
speak and understand a little.

I am, Gentlemen, very truly yours

Manuel Copina
