Dear Grandpa

I am delighted
to write to you to wish you a happy
Christmas and New Year. I hope dear Grandpa
that you enjoy good health. My dear Papa
is now quite well. Lizzy is nearly as
tall as Mama and Raphael and
Emmanuel are nearly as tall as I
am. Raphael looks just like Grandpa
Ospina, Mama says so I go to the
Convent School every day and I try
to learn my lessons very well.

I think Santa Claus will pay a
visit to our house on Christmas
night with pretty presents. I will pray
that the holy Infant Jesus may
come and dwell in all our hearts on
Christmas and I will always pray
that the sweet Infant Jesus may
smile on my dear Grandpa with
every blessing.

Again wishing a happy Christmas to
my dear Grandpa

remain, my affectionately

Your little Grandchild

Louisa
